

Horizon 2020- Health Horizon Applicant Training

Bern, 20th October 2016
 09.30 – 17.00
 Kuppelraum, Universität Bern
 3008 Bern

Who should participate?

This workshop addresses applicants of Health Horizon proposals. Your planned role may be task or work package leader, coordinator or simply partner in a project. You will receive targeted information and advice to support you in these roles and learn what you need to consider when planning and writing the proposal.
